FOREWORD

The 1960 Echo presents Springfield High School in a panorama of pictures showing the students, the activities, the athletics, and the classes around which our whole school life revolves.

As we follow SParky, the Echo guide, you will recall the events of the year, laugh at the ridiculous situations you were in, remember the fun and excitement this year has brought, and ponder over the dramatic events which will long influence your life.

The Staff herewith presents the Echo for 1960.

ALMA MATER

Springfield High with fond remembrance
to, us forever dear,
With thy hallowed halls around us
in memories shall be near.

Built with beauty, grace, and splendor
that glorifies thy fame,
We praise thee, Alma Mater,
and exalt thy fervent name.

DEDICATION

We the class of 1960 wish to express our appreciation for the help and guidance given to us by our Principal, Mr. Charles H. Miller.

Recognized as a leader in community services and as a supporter of athletic affairs, Mr. Miller is looked upon as being a sincere and wonderful friend.

We leave Springfield taking with us the benefits of his guidance, as we step into the world of tomorrow better prepared to meet its challenges.

SCHOOL BOARD

Mr. Leo C. Boice, president of the school board, reviews expansion plans for Springfield's educational system. Other members of the school board are, left to right, Mr. James Lewis, treasurer; Mr. Robert Anderson, secretary; Mr. Guy Chesboro, and Mr. Ray C. Hoag, trustees.

P.T.A.

Springfield's P.T.A. program this year has been an exceptionally busy and interesting one. The officers, from left to right, are Mrs. Farmer Scarbrough, community vice-president; Mrs. Dennis McIntyre, secretary; Mrs. James Lewis, president; Mrs. Charles Howe, treasurer; and Mrs. Henry Hilborn, parent vice-president.

ADMINISTRATION

Superintendent R. Bruce Sellers and Principal Charles H. Miller go over plans for the new elementary school.

OFFICE FORCE

Mrs. Fricke keeps our financial matters under control.

Mrs. Smith carries on our correspondence.

The first Springfield school stood on this site. It was the beginning of the Springfield school system that we have today. The school was built in 1910.

This is the first addition to the growing Springfield system. It was constructed in 1925 and now serves as the elementary building. An addition to this building was completed in 1954.

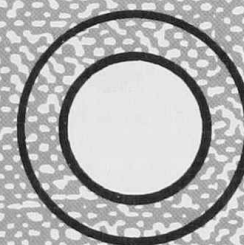

This, the new high school, is one of the most modern schools in Southern Michigan. It was completed in 1956. The plans, which won first place in the International Architects Convention at Geneva, Switzerland, were drawn by G. A. Binda.

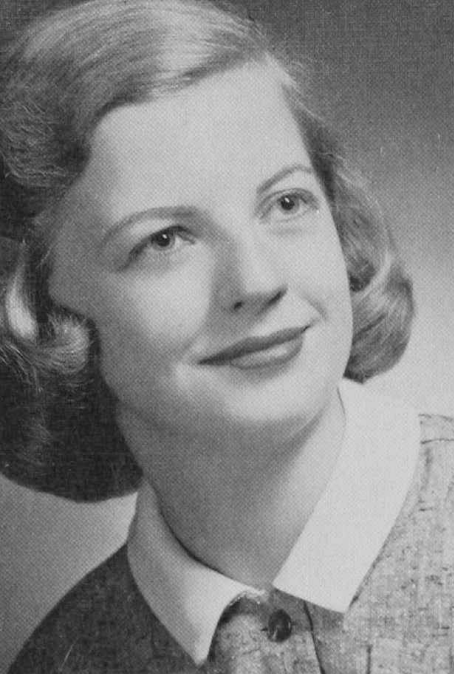

The near future will bring the building of a new Valley View Elementary school to this site, providing a beautiful new addition to the Springfield system.

Springfield kept its record of never having a losing season since the Rams were a high school.

Young and inexperienced, Springfield, won its non-league opener. The Rams then won the next three in a row and lost a hard fought game to Mattawan, 8 to 7. The highlight of the season for the surprising Rams was the homecoming game. Springfield was behind by a 6 to 0 score with less than four minutes to go and then scored two straight touchdowns both by long passes to win the game 12 to 6.

WELCH—Fullback on offense; backed up the line on defense. Co-captain; four year letter winner.

RAYMOND—Sparked the team from his end position with his tackles on defense and outstanding play on offense. Four year letter winner.

ECHELBECKER—First try at varsity football, played hard always.

PLATIS—Played both offense and defense; made second team all K.V.A.

MCComb—Played center on offense and did it very well.

BROWN—Biggest and roughest lineman on the team. Kept pressure on opposing backs.

GOOCH—Out most of the year with injuries, played the best of his ability when playing.

BUNCE—Halfback on both defense and offense. Could always be depended on.

NEWBURN—Capable of playing any position; and plays them very well.

CHANGES IN THE COACHING STAFF

Last spring the athletic department rearranged the coaching set-up. This change involved all but three head coaching positions; football, track and tennis. Mr. Don Christensen succeeded Mr. Miller as athletic director. Mr. Christensen is also our varsity football coach. Mr. Holcomb is the assistant coach of varsity football. Eugene Jones helped out in varsity football as the student manager.

Mr. Jim Christensen, the reserve football coach, took over the head basketball position from his brother Don. The reserve coaching job went to Mr. Ryor, who is also the head tennis coach.

In the spring sports, only one sport has changed its coach. That was baseball, there Mr. Link, who was previously the reserve coach, became baseball coach. Mr. Ferguson stepped down from the position that he had held for 25 years. Track is coached by Mr. Brouwer and tennis by Mr. Ryor.

**What a time

says Yogi Bear

The Kellogg folks of Battle Creek asked me to serve up a real dish of a wish for you—and that's just what I'm going to do!

It's been really great going through school with you. And Kellogg's enjoyed perking you up at breakfast with the best to you each morning. They're mighty proud of the job you've done—and so am I.

So let old Yogi wish you success and the best . . . always!
