Senior Float Wins Competition

The theme for this year's Float Competition was cartoons. The Seniors based their theme on the green Marvel Comic character, "The Hulk". The Juniors used the cartoon "Superman", creating their float "SuperRam", which was disqualified for not being completed. The Sophomores cartoon was "Tarzan", "King of the K.V.A.", which was also disqualified for poor workmanship. The Freshmen used "The Flintstones-Ya ba Da ba Do".

Senior Trip "1980"

After two years of hard work and planning, the Senior Class of 1980 left early in the afternoon of April 27 for Orlando, Florida. After 26 hours of riding in a bus, they arrived at their motel just in time for their first trip to Sea World. They also went to Disney World, Cypress Gardens, Wet N Wild, and had one free day to do as they pleased. They arrived home May 4.

Everyone had a good time-meeting people, sunbathing, and shopping.

It was an experience no one will ever forget.

Mrs. Whitney Honored By Her Students

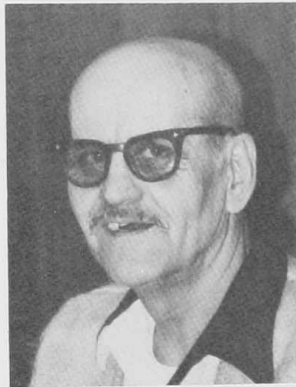

Mrs. Rose Whitney came to Springfield High School in August, 1961, and retired in the fall of 1979. She received her Bachelor of Science Degree at Ferris Institute where she majored in accounting, law and English and her Masters of Arts Degree at Central Michigan University where she majored in English. Before coming to Springfield she taught English and business training at Scottville High School and English and American History at Port Austin High School.

Mrs. Whitney taught freshman English, English Literature, and creative writing here at Springfield. Mrs. Whitney also was freshman class advisor, and for sixteen years Mrs. Whitney and the freshman assumed the responsibility of raising and lowering the flag which is displayed in front of the school. She also was cheerleading advisor, guest speaker at the 1977 Junior-Senior Banquet, and author-director of the Christmas plays presented by the teachers for the student body.

Her membership in professional organizations include the Springfield Education Association, the Michigan Education Association, the National Education Association, and the National Council of English Teachers. Mrs. Whitney also wrote a book, *The Springfield Story*, when the city was celebrating its 25th year. It tells the history of Springfield and it was sponsored by Springfield Lions Club and Springfield Schools.

We miss Mrs. Whitney's smile, her expertise in teaching English, and, most of all, her understanding nature. We hope she enjoys this well-deserved leisure time to pursue her many interests.
